**SOCIAL AND ORGANIZATION
SKILLS AND COMPETENCES**

I have excellent skills in group work, tested in different situations, favored by a natural predisposition to mediation and dialogue. These qualities have been honed through a "Techniques of Group Working" class and the work in the online magazine supergacinema.it, as well as tasks performed in the Onyricon association, at the university library, and in different film Festivals. I have an excellent ability to plan and manage the work in stressful situations, thanks to the experience in cultural events. During years of continuous work in online publishing, I have developed other specific skills such as event management, selection of human resources and administration of a web portal.
